

DECT Handsets

A Truly Integrated Handset

Environmental changes are now demanding more, with organisations becoming more diverse, complex and fast paced and gone are the days were business is rigid.

The Aspire DECT is an integrated solution for staff that are constantly moving around the workplace, using such cordless technology means your staff always accessible.

Both the NEC Aspire 4020 and the 4040 handsets are robust in harsh environments and are built for long-term dependability.

The Aspire 4020 and 4040 handsets, with their vigorous design, long life battery and ease of use meet all needs of cordless user.

There are many features of the 4020 and the 4040, which include:

- Graphic Display
- Alarm Key
- Volume Control
- Auto Login
- Key Lock
- 9 Ring Tones
- 6 Menu Languages
- Microphone Mute
- Silence Mode
- LED indication of incoming and unanswered calls.

The 4040 have a number of benefits

- Ringing Vibrator function
- Connection for a handset
- Loud speech feature
- IP45 Classification
